• Concrete (with Primer)	• METAL (with Primer)

**Defend your low-pitched roof
against the harshest weather
with MantAcrylic Alpine White 410.**

This premium, high-performance elastomeric coating delivers exceptional durability, flexibility, and long-term protection, exceeding ASTM D6083 Type II standards.

KEY BENEFITS:

- **ENERGY EFFICIENCY:** Reflects sunlight and UV rays, reducing cooling costs and interior temperatures.
- **SUPERIOR PROTECTION:** Forms a seamless, weather-resistant shield against cracking, peeling, and mildew.
- **CLIMATE RESISTANT:** Withstands extreme heat and cold for year-round performance.
- **HIGHLY FLEXIBLE:** Expands and contracts with roof movement to prevent damage.
- **EASY APPLICATION:** Apply by roller or spray for efficient coverage.
