| • SBS | • EPDM (with EPDM Wash) |
| • Concrete (with Primer) | • METAL (with Primer) |

Transform your roof into a dazzling, energy-efficient shield with MantAcrylic Diamond White 415.

This premium, architectural-grade elastomeric coating is engineered for exceptional performance and longevity, exceeding ASTM D6083 standards Type I.

KEY BENEFITS:

- **DAZZLING WHITENESS:** Reflects sunlight and UV rays, reducing energy consumption and cooling costs.
- **SUPERIOR DURABILITY:** Resists cracking, peeling, and harsh weather conditions.
- **EXTENDED ROOF LIFE:** Protects against heat damage and thermal shock, minimizing maintenance needs.
- **ENHANCED WATER RESISTANCE:** Provides superior protection in high-moisture environments.
- **FLEXIBLE PROPERTIES:** Expands and contracts with building movement, ensuring a lasting, watertight seal.
