

# Manta Roofing Products 20-Year warranty

Manta Roofing Products warrants that installed products are free from manufacturing defects for 20 years from the date of installation. If a product is found to be defective, Manta will provide enough replacement product of the same or equivalent to the original. This warranty is non-transferable and ends if the building is sold or ownership changes.

## **20-Year Warranty Conditions This warranty is contingent upon:**

- Accurate representations of the roof's condition by the Certified Applicator.
- Strict adherence to Manta Roofing Products application instructions and industry standards by the Certified Applicator.
- Prompt notification of any defects to Manta within five business days. Manta reserves the right to inspect the defect.
- Repairs performed only by Manta Certified Applicators.
- No unauthorized modifications or alterations to the roof.

## **Warranty Coverage:**

- Manta 430 Silicone Rubber Coating and other specified Manta products under normal environmental conditions.

## **Warranty Exclusions:**

- Labor costs.
- Damage caused by fire, settlement, faulty construction, misuse, inadequate drainage, improper maintenance, or structural failure.
- Damage caused by extraordinary events, natural causes (e.g., lightning, wind, hail, earthquake), or physical encroachment.
- Damage resulting from cracks, deterioration, or openings in the roof substrate.
- Damage due to loosen, defective, or improperly installed fasteners.
- Physical damage caused by third parties, foreign objects, or organic or inorganic solvents.
- Damage caused by repairs, alterations, or structures on the roof.
- Application over dirty or improperly prepared surfaces.
- Non-reinforced areas of pooling or ponding water.
- Failure due to rust, previous coatings, or polyurethane foam separation.
- Color or surface changes due to weathering or atmospheric conditions.
